By Car

Travelling from the South

Take the A49 from the town centre north towards Leominster. After passing Hereford United Football Ground there are two roundabouts and then you will see a Texaco filling station on your left-hand side. Turn as if you are going into the filling station but then take the service road up the side of the filling station. GB Liners is at the top of the road.

Travelling from the North

Pick up the A49 trunk road heading towards the city centre and turn right on the south side of the Texaco filling station.

Travelling from the East

Come in on the A4103 or the A465 from Worcester direction, bear straight on at the roundabout on the town outskirts rather than left for the city centre and come along Roman Road to the roundabout at the Starting Gate pub. Turn left there and then follow the directions as from the North.

From the east on the A438 Ledbury Road go into the town and follow the signs for the A49 north.
